

Supply some narrative description of the data set. What are we being asked to look at?

Regional trends/patterns:

Seasonal patterns

Time trends/patterns:

Population trends/patterns:

Other trends/patterns:

Specify some model predicting permits as a function of month

## Homework 2

**Supply some narrative description of the data set. What are we being asked to look at?**

```
dataPermit_full <- read.csv('https://raw.githubusercontent.com/hadley/building-permits/master/dataPermit_full.csv')
library(ggplot2)
library(dplyr)
```

Attaching package: 'dplyr'

The following objects are masked from 'package:stats':

filter, lag

The following objects are masked from 'package:base':

intersect, setdiff, setequal, union
